## 2024 Share Option Scheme

The Company adopted the 2024 Share Option Scheme on 31 May 2024 (the “**2024 Date of Approval**”), which is provided to remain in force for a period of 10 years commencing on the date of its adoption.

Since the date of its adoption and up to the date of this announcement, no share options have been granted by the Company under the 2024 Share Option Scheme.

Pursuant to the 2024 Share Option Scheme, a scheme mandate limit of 84,281,191 Shares and a service provider sublimit of 8,428,119 Shares, which represents 10% and 1% of the total number of issued Shares as at the 2024 Date of Approval, respectively, were given to the Company to allot and issue new Shares in respect of any share options to be granted under the 2024 Share Option Scheme and all the share options and share awards to be granted under any other share scheme(s) of the Company.

Therefore, the total number of Shares which may be issued by the Company in respect of upon exercise of all options to be granted under the 2024 Share Option Scheme and all the share options and share awards to be granted under any other share scheme(s) of the Company involving the issue of new Shares, including all the Awards to be granted under the Share Award Scheme (if adopted), shall not in aggregate exceed 84,281,191 Shares (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any), representing 9.94% of the total number of issued Shares as at the date of this announcement.

The total number of Shares which may be issued by the Company in respect of upon exercise of all options to be granted to relevant eligible service provider participants under the 2024 Share Option Scheme and all the share options and share awards to be granted to eligible service provider participants under any other share scheme(s) of the Company involving the issue of new Shares, including all the Awards to be granted under the Share Award Scheme (if adopted) to the Service Providers, shall not in aggregate exceed 8,428,119 Shares (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any), representing 0.99% of the total number of issued Shares as at the date of this announcement.

Save for the abovementioned, the Company has no other subsisting share schemes as at the date of this announcement.

## **PROPOSED ADOPTION OF THE SHARE AWARD SCHEME**

The adoption of the Share Award Scheme is subject to approval by the Shareholders at a general meeting to be convened. Accordingly, an ordinary resolution will be proposed at the EGM for the Shareholders to consider, and if thought fit, to approve the adoption of the Share Award Scheme.

To the best knowledge of the Directors and having made all reasonable enquiries, as at the date of this announcement, no Shareholder has any material interest in the proposed adoption of the Share Award Scheme. Accordingly, no Shareholder is required to abstain from voting on the resolution(s) in relation thereto. None of the Directors is a Trustee of the Share Award Scheme or has a direct or indirect interest in the Trustee, if any, of the Share Award Scheme.

The key terms of the Share Award Scheme are set out below:

### **Purpose:**

The purpose of the Share Award Scheme is to (i) recognise and reward the contribution of certain Eligible Participants to the growth and development of the Group and to incentivise and motivate them to further contribute towards the growth and expansion of the Group by providing them with the opportunity to acquire equity interests in the Company; and; and (ii) attract suitable personnel for further development of the Group.

**Administration:**

The Share Award Scheme shall be subject to the administration of the Board. The Board may delegate the authority to administer the Share Award Scheme to the Committee and may also appoint any Trustee to assist with the administration and vesting of the Awards granted pursuant to the Share Award Scheme.

To satisfy the Awards after vesting, the Company may (a) allot and issue new Shares to the Grantee directly; and/or (b) allot and issue new Shares to the Trustee, and/or instruct the Trustee to acquire existing Shares through on-market or off-market purchases in accordance with the Company's instructions and subject to the terms and conditions of the Trust Deed (if any), such new Shares to be held on trust for the Grantee and to be transferred to the Grantee after vesting.

As new Shares may be allotted and issued by the Company to satisfy the Awards after vesting under the Share Award Scheme, an application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Shares which may fall to be allotted and issued in respect of the Awards to be granted under the Share Award Scheme.

**Duration:**

Subject to the satisfaction of the conditions precedent for its adoption and any early termination as may be determined by the Board pursuant to the rules of the Share Award Scheme, the Share Award Scheme shall be valid and effective for a term of ten (10) years commencing on the Adoption Date and ending on the tenth (10th) anniversary of the Adoption Date.

**Eligible Participants:**

An individual or a corporate entity (as the case may be), being any of the following:

- (a) Employee Participant(s);
- (b) Service Provider(s); and
- (c) Related Entity Participant(s),

in each case provided that the Board or the Committee considers, in its sole discretion, have contributed or will contribute to the Group.

**Scheme Mandate Limit  
and Service Provider  
Sublimit:**

The Company approved and adopted the 2024 Share Option Scheme at the extraordinary general meeting of the Company held on 31 May 2024. Pursuant to the 2024 Share Option Scheme, a scheme mandate limit of 84,281,191 Shares and a service provider sublimit of 8,428,119 Shares, which represents 10% and 1% of the total number of issued Shares as at the 2024 Date of Approval, respectively, were given to the Company to allot and issue new Shares in respect of any share options to be granted under the 2024 Share Option Scheme and all the share options and share awards to be granted under any other share scheme(s) of the Company.

Therefore, the total number of Shares which may be issued by the Company in respect of all the Awards to be granted under the Share Award Scheme and all the share options and share awards to be granted under any other share scheme(s) of the Company involving the issue of new Shares, including the 2024 Share Option Scheme, shall not in aggregate exceed 84,281,191 Shares (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any) or 10% of the total number of issued Shares (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any) as at the relevant date of approval of the refreshment of the scheme mandate limit.

The total number of Shares which may be issued by the Company in respect of all Awards to be granted under the Share Award Scheme to Service Providers and all the share options and share awards to be granted to eligible service provider participants under any other share scheme(s) of the Company involving the issue of new Shares, including the 2024 Share Option Scheme, shall not in aggregate exceed 8,428,119 Shares (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any) or 1% of the total number of issued Shares as at the relevant date of approval of the refreshment of the service provider sublimit (excluding options which are outstanding and granted and yet to be exercised pursuant to the 2013 Share Option Scheme and Treasury Shares, if any).

**Maximum entitlement of each participant:**

No Award shall be granted to a Grantee if it would result in the total number of Shares issued and to be issued in respect of all the Awards granted under the Share Award Scheme and, if any, the share options and other share awards granted under any other Share Scheme(s) to such person (excluding any Awards and any share options and other share awards lapsed in accordance with the terms of the Share Schemes) in the 12-month period up to and including the date of such grant exceeding 1% (or such other higher percentage as the Listing Rules may prescribe or permit) of the total number of issued Shares (excluding Treasury Shares, if any) as at the date of such grant, unless:

- (A) such grant has been separately approved by the Shareholders in general meeting, with such Grantee and his close associates (or associates if such Grantee is a connected person) abstaining from voting;
- (B) the Company must despatch a circular to the Shareholders containing such relevant information as required by the Listing Rules in relation to any such proposed grant to such Grantee; and
- (C) the number and terms of the Awards to be granted to such Grantee are fixed before the Shareholders' approval.

**Limit on grant to Director, chief executive or substantial shareholder:**

Any grant of Awards to any Director, chief executive or substantial Shareholder (as defined in the Listing Rules) of the Company, or any of their respective associates, shall be subject to the prior approval of the independent non-executive Directors (excluding any independent non-executive Director who is a proposed recipient of the grant of the Award). In addition:

- (A) where any grant of Awards to any Director (other than an independent non-executive Director) or chief executive of the Company, or any of their respective associates, would result in the Shares issued and to be issued in respect of all the Awards granted under the Share Award Scheme and (if any) the share awards granted under any other Share Scheme(s) (excluding any Awards and any other share awards lapsed in accordance with the terms of the Share Schemes) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% (or such other higher percentage as the Listing Rules may prescribe or permit) of the total number of issued Shares (excluding Treasury Shares, if any) as at the date of such grant; or

- (B) where any grant of Awards to an independent non-executive Director or substantial Shareholder (as defined in the Listing Rules) of the Company (or any of their respective associates) would result in the number of Shares issued and to be issued in respect of all the Awards granted under the Share Award Scheme and (if any) the share options and other share awards granted under any other Share Scheme(s) (excluding any Awards and any share options and other share awards lapsed in accordance with the terms of the Share Schemes) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% (or such other higher percentage as the Listing Rules may prescribe or permit) of the total number of issued Shares (excluding Treasury Shares, if any) as at the date of such grant,

such further grant of Awards must be approved by Shareholders in general meeting in the manner required, and subject to the requirements set out, in the Listing Rules. In particular, the Company must send a circular, containing the information required under the Listing Rules and the Stock Exchange from time to time, to the Shareholders. The Grantee, his associates and all core connected persons of the Company must abstain from voting in favour at such general meeting. The Company must comply with the relevant requirements under Rules 13.40, 13.41 and 13.42 of the Listing Rules.

#### **Vesting Period:**

The Board or the Committee may from time to time, in its absolute discretion, determine the Vesting Date upon which the Award may be vested in that Grantee in respect of all or a proportion of the Award Shares. The Vesting Period in respect of any Award shall be not less than twelve (12) months (or such other period as the Listing Rules may prescribe or permit), provided that where the Eligible Participant is an Employee Participant, the Board or the Committee shall have the authority to determine a shorter Vesting Period in its absolute discretion under the following specific circumstances:

- (i) grants of “make-whole” Awards to any Selected Participants who are new joiners to replace the share awards or options they forfeited when leaving their previous employers;
- (ii) grants to an Employee Participant whose employment is terminated due to disability or occurrence of any out-of-control event;
- (iii) grants that are made in batches during a year for administrative or compliance reasons, which include Awards that should have been granted earlier if not for such administrative or compliance reasons but had to wait for a subsequent batch. In such case, the vesting period may be shorter to reflect the time from which the Award would have been granted;

- (iv) grants with a mixed or accelerated vesting schedule such as where the Awards may vest evenly over a period of twelve (12) months or where the Awards may vest by several batches with the first batch to vest within twelve (12) months of the date of grant and the last batch to vest twelve (12) months after the date of grant;
- (v) grants with performance-based vesting conditions provided in the Share Award Scheme or as specified in the grant notice in lieu of time-based vesting criteria; or
- (vi) grants with a total vesting and holding period of more than twelve (12) months.

Any grant of Awards to any Director or senior manager of the Company which is made on terms with a Vesting Period of less than 12 months or without a performance target or without a clawback mechanism shall be reviewed by the Committee as to why the Vesting Period is appropriate and how the grant aligns with the purposes of the Share Award Scheme.

**Purchase Price:**

Unless otherwise determined by the Board or the Committee in its absolute discretion at the relevant time for each Award, a Selected Participant is not required to pay any grant or purchase price or make any other payment to the Company for accepting an offer of the Award granted, nor is the Selected Participant required to pay any subscription or purchase price for the vesting of the Awards or the receipt of the Award Shares. The Board considers that it is consistent with the purpose of the Share Award Scheme for the Company to retain discretion to consider the purchase price, if any, for an Award and the underlying Award Shares so that meaningful reward may be provided to Selected Participants in recognition of their contribution or potential contribution to the Group.

|---------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Performance Targets:</b>                                   | The Share Award Scheme sets out the qualitative description of possible performance targets related to financial and non-financial parameters of the Group and/or individual performance indicators and allows discretion for the Board or the Committee to determine whether any performance targets will be specified in respect of each Award on a case-by-case basis, for the purpose of motivating Selected Participants to strive for the future development and expansion of the Group. As each Selected Participant has a different position or role with respect to the Group and may contribute to the Group differently in terms of nature, duration or significance, it may not always be appropriate to impose a generic set of performance targets for each Award. Therefore, the Share Award Scheme does not prescribe the performance targets that must be met before each Award may vest. However, the Board or the Committee shall specify the conditions including any performance targets for each Award in the grant notice. |
| <b>Clawback Mechanism:</b>                                    | The Share Award Scheme provides for a clawback mechanism which sets out the circumstances in which the unvested Awards to a Grantee shall, among others, automatically lapse forthwith in the event that, (i) the Grantee commits any misconduct; or (ii) the granting of any Award, or its becoming vested was based on material misstatement in the financial statements of the Company or any other materially inaccurate performance metric criteria; or (iii) if the Grantee joins a company which the Board or the Committee believes in its sole and reasonable opinion to be a competitor of the Company; or (iv) if any other clawback event implicitly or explicitly characterised in the grant notice occurs.                                                                                                                                                                                                                                                                                                                          |
| <b>Rights attaching to the Awards and the Awarded Shares:</b> | Unless otherwise approved and authorised by the Board or the Committee, the Grantee shall not exercise any of the voting rights in respect of any Award Shares and shall not have any right whatsoever in any dividends and other distributions declared and made in respect of any Award Shares or otherwise unless and until the relevant Award Shares have been allotted and issued or transferred (as the case may be) to the Grantee in accordance with the Share Award Scheme and the applicable laws, rules and regulations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
